

I am writing to let you know that K-LOVE serves me and my family as residents of San Antonio. If it were to be displaced by an LPFM broadcaster providing other programming there would be no on-air material suitable consistently for our young child. We would in fact, be radio-less in her presence. Even "radio-disney" is off-limits in it's "pop" lyrics unsuitable for non-pre-teen ears. K-Love also offers a family oriented COMMERCIAL FREE environmnet. For these reasons I believe the service provided by K-LOVE is in the public interest and must be preserved.
